DANZIGER KENYA

Your Source for High Quality
Plant Material

Located in
Naivasha, Kenya

12 ha
And expanding

Provides services to
EU, ASIA and
North American markets

600
Employees

We take pride in our role as a center of excellence for both the breeding and production of plants and flowers. Our State-of-the-Art facilities use cutting-edge equipment to ensure the production and supply of quality, clean plant material.

Danziger Kenya is known for its high-quality URC and cutting production of Annuals & Perennials. Additionally, it is a top-notch producer of perennial flowers sourced from other breeders' genetics.

- End-to-end production supply chain
- High-quality clean cuttings at highest standard
- Global operations
- Agile response to our customer's needs 24/7
- Advanced it support
- Strong link to market
- Global production standards

Join us in working towards a more sustainable future!

We're excited to announce a significant update to our Annual catalog.

Starting this year, our printed catalog will be valid for two years. This means that next year the catalog will be available digitally on our website. It will showcase all the new products for season 26.

This change aligns with our commitment to sustainability. We are confident that this adjustment will reduce our environmental footprint and provide you with a more convenient and up-to-date experience.

DuraBella® Long Lasting Beauty

Having the right ingredients is the first step in creating a successful recipe, and DURABELLA® is exactly that. Our teams in the US and Europe come together with a shared passion for excellence, assembling the recipe to suit their market's taste and create the perfect blend of varieties. This ensures that everyone can enjoy the beauty of DURABELLA® in their own unique style. These combinations are selected and tested for great performance, resulting in stunning displays that last longer for the consumer.

The information regarding tolerance presented in this catalog is the result of tolerance demonstrated on field observation and/or laboratory diagnostics, as applicable. Danziger makes no representation and does not warrant or guarantee that the variety will indeed present the said tolerance in practice due, among other, to different factors who might accrue in the cultivation area.

ENJOY THE EXPERIENCE WHILE GROWING YOUR OWN NATURAL-LOOKING BOUQUET. YOU DON'T NEED TO BE A FLORIST OR A PROFESSIONAL GARDENER TO GET THE BEST FROM YOUR CUT FLOWER GARDEN

Pre Commercial

This DIY program allows the home gardener to grow, nurture and collect fresh flowers from their own garden – from the garden to the vase.

WE KNOW CUT FLOWERS we carefully trialed and selected the best varieties to fit this program from Danziger's cut flower genetics. Each bloom has a vase life of 7-10 days.

Garden to Vase, GROW your garden, **CUT** your flowers, **ENJOY** your blooms, **REPEAT** the cycle, season after season.

2025

This program is a pre commercial - Available for trials

PERENNIALS

Danziger offers a diverse mix of perennials as top quality unrooted cuttings. The full line is produced and supplied through Danziger Kenya.

All Danziger genetics are first-year flowering which has the benefit of no bulking or vernalization requirements.

All of our perennials can also be successfully produced through traditional growing methods.

Delivering Convenience and Flexibility Together

Online Ordering System

Our online ordering system is design for your convenience, ensuring that placing and managing orders is both quick and effortless.

- Place new orders
- Update existing orders
- EDI connection for faster service
- Access real time availability
- Placing stand by orders

Contact our team today to start ordering through our user-friendly online system.

Flexible Ordering Protocol

FIRST CUTOFF

Until Tuesday, one week before the shipment date, new orders and changes can be made, up to 23:59 CET (Israel time)

LATE ORDERS

The changes will be made manually with the approval of customer service

STAND BY

If product is not showing available, a standby order can be placed by EDI or requested by email. Our customer service team will review and respond within 48 hours.

NEW!

Order Terms

- Minimum Orders -12,000 URC's & 100 per variety
- Annuals and Perennials can be combined in the same order/box
- Stand by orders will be answered within 48 hours
